Representative Richard Bolling (D., Mo.), called on behalf of a college  
student interested in obtaining materials in preparation for a debate on

us for the help and said this appeared to satisfy the requirement.

5. [ ] Received a call from Edward Bauser, Executive Director, Joint Committee on Atomic Energy Committee, who said that Senator Pastore had expressed concern to him about the U. S. agreement with Romania last Thursday having to do with peaceful uses of atomic energy. Bauser recalled Mr. Maury's conversation with George Murphy last week on Romania and he was interested in knowing the status of that situation. I told him this had quieted down somewhat since Mr. Maury's conversation with Murphy. Bauser said he was preparing a letter to State or AEC regarding the Romanian agreement and might be back in touch with us when this letter was in draft form.

### OFFICE OF LEGISLATIVE COUNSEL

Monday - 25 November 1968

1. [ ] Called Chairman L. Mendel Rivers, House Armed Services Committee; Mr. J. Russell Blandford, Chief Counsel, House Armed Services Committee; Mr. Robert Michaels, Staff Assistant, House Appropriations Committee; Mr. Edward Braswell, Professional Staff Member, Senate Armed Services Committee; and Miss Dorothy Fosdick, Staff Director, Subcommittee on National Security and International Operations, to inform each that concern regarding Romania, on which I briefed them on 22 November, had subsided.

25X1

2. [ ] In the course of the above mentioned phone conversation with Chairman Rivers, he said that it occurred to him that the recent hijacking of American aircraft might have been inspired by Castro as a means of clandestinely obtaining U.S. currency. I said I was aware of no evidence to this effect but would investigate and confirm.

25X1

3. [ ] Scott Cohen, on the staff of Senator Charles H. Percy (R., Ill.), called to say that, in connection with his appointment to the Committee on Government Operations, Senator Percy has asked Cohen to contact various "foreign policy agencies" to arrange briefings for his personal staff members so they might become more knowledgeable in this field. He said the Senator had specifically mentioned CIA. I suggested to Cohen that he exclude us from this kind of arrangement for a variety of reasons (which Cohen understood) but added that we still stood ready to brief the Senator or him on specific situations more within our area of responsibility. Cohen thanked me and said he agreed completely with our position. (See Memo for the Record for details).

25X1

4. [ ] In response to a request from Russ Blandford, on the staff of the House Armed Services Committee, [ ] of SOD and I picked up a weapon from Blandford so that we might examine it and assure that it was in operating condition.

5. [ ] In response to her request, hand carried to Judith Spahr, on the staff of the Subcommittee on National Security and International Operations, a copy of the FBIS publication containing the text of the Brezhnev speech given earlier this month.

25X1

6. [ ] Mr. Vincent J. Augliere, on the staff of the Subcommittee on Foreign Operations and Government Information, called concerning a request that Chairman Moss had received from a group of college students who will be debating other colleges. Augliere would like a reference to an official or authoritative statement which would indicate that CIA does not interfere in the internal affairs of foreign governments without the approval of appropriate authority, such as the President, the National Security Council or the Secretary of State. Augliere felt this was a point which would come up again and again in student debates and felt it would be useful to put the matter to rest with an authoritative response if this could be done. I told him I would look into this and would be in touch with him.

25X1

7. [ ] Dr. James Lucier, on the staff of Senator Strom Thurmond (R., S. C.), called and asked if we had any printed material which contained a description of the official functions of this Agency which he might pass on to a constituent. I suggested that we provide him with several copies of the Agency pamphlet. Lucier said this sounded like precisely what he needed and copies are being sent to him.

25X1

8. [ ] Received a call from Mr. Herb Ressing who identified himself as being with the President's Commission on Pennsylvania Avenue. He said he was interested in speaking with someone who was most up-to-date on aerial photography of downtown Washington, D. C. I told Mr. Ressing this was not a responsibility of CIA and (after checking with Mr. Goodwin) suggested that he direct his inquiry to the office of Mr. Phil C. Goulding, Deputy Assistant Secretary in the Office of the Secretary of Defense (Public Affairs). Mr. Ressing thanked me for this information.

Mendel Rivers, of House Armed Services Committee, in his office and briefed him on the conclusions of the special Watch Committee meeting of 21 November regarding indications of a possible move against Romania by Warsaw Pact forces. Chairman Rivers expressed interest and appreciation and asked that he be kept informed of any further significant developments over the weekend.

25X1

In an ensuing chat, Chairman Rivers, who was in a relaxed and talkative mood, spoke of the high standing of the Agency with his Subcommittee, his serious concern regarding growing Soviet capabilities and his uncertainty over Soviet intentions, and the prospects of the Defense Department and the Intelligence Community under the Nixon Administration. (See Memo for Record.)

2. [ ] Briefed Mr. J. Russell Blandford, Chief Counsel, House Armed Services Committee, on the conclusions of the special Watch Committee meeting of 21 November regarding a possible move against Romania by Warsaw Pact forces. 1.  At the suggestion of the Executive Director I raised with Robert Michaels, Staff Assistant to the House Appropriations Committee, the possibility that he and William Woodruff, Assistant Chief Clerk of the Senate Appropriations Committee, might visit Headquarters around mid-December for a preliminary and informal discussion of our FY 1970 budget. Mr. Michaels said he thought this was a useful idea, and it was agreed that upon Mr. Woodruff's return to Washington in about a week I would call him to set a firm date. Mr. Michaels commented that on occasion in the past the Bureau of the Budget had not looked favorably on informal discussions of this kind between Legislative and Executive representatives, but that in this case he felt there would be no problem.

He suggested we keep in touch with Mr. Braswell, if necessary. I took this opportunity to raise with Mr. Darden the problem which would be created for the Agency by the proposed Bureau of the Budget bulletin calling for submission of department and agency reports on research contractors. 2. [ ] Called on William Darden, Chief of Staff, Senate Armed Services Committee, to deliver a letter from the Director congratulating him on his appointment to the Court of Military Appeals and thanking him for past cooperation with the Agency. In discussing the future of our Subcommittee, Mr. Darden said he thought Senator Russell, while relinquishing the chairmanship of the Armed Services Committee, would retain his membership and that in any event Senator Russell would not favor including on the Subcommittee Senator Sam Ervin who is next in seniority. Mr. Darden said he would expect that the vacancy on the Agency Appropriations Subcommittee would be filled by Senator Allen Ellender. Darden had no information on his own replacement on the Armed Services Committee staff, but speculated that Senator Russell, as new chairman of our Appropriations Subcommittee, might wish to hold joint sessions of our Armed Services and Appropriations Subcommittees and look to William Woodruff, Assistant Chief Clerk of Senate Appropriations Committee, to handle the staff work for both Subcommittees.

25X1

3. [ ] Delivered to Miss Dorothy Fosdick and Colonel Haaken Lindjord, Senate Subcommittee on National Security and International Operations staff, a French and German translation of Senator Jackson's address to be given before the North Atlantic Assembly and discussed the translations with them. Both Miss Fosdick and Colonel Lindjord were very pleased with the phraseology used in both translations and expressed appreciation on behalf of the Senator for the excellence of the work and the timely return of the translations to them.

4. [ ] As a follow up to yesterday's conversation, met with Mr. Vincent Augliere, Staff Director, House Government Information and Foreign Operations Subcommittee, and reviewed with him for the record

Mr. Augliere noted in passing that the Department files in question are under review by the Committee staff in preparation for a Committee trip to Indonesia after Thanksgiving.
